

# ClickShare

The one click wonder

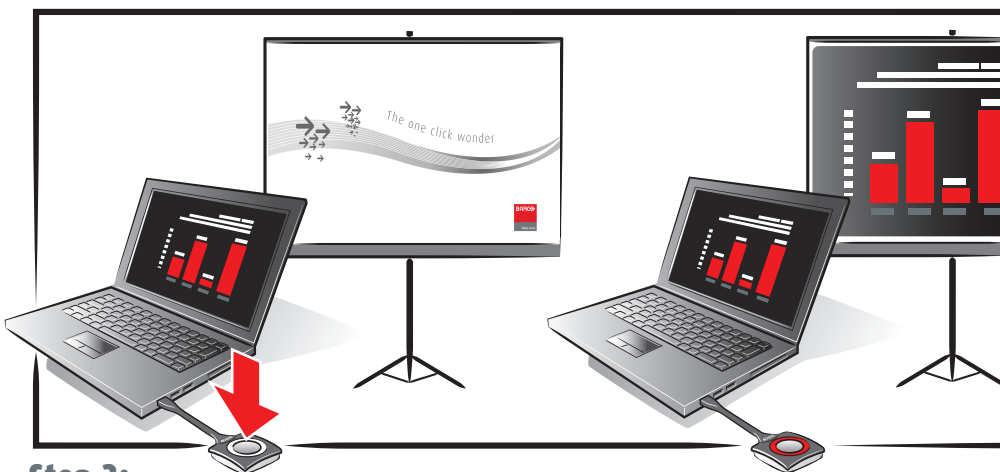

## Step 1:

Insert a Button into your laptop.

## Step 2:

On your laptop, browse to the ClickShare drive and start the ClickShare application: ClickShare\_for\_Windows or ClickShare\_for\_Mac.

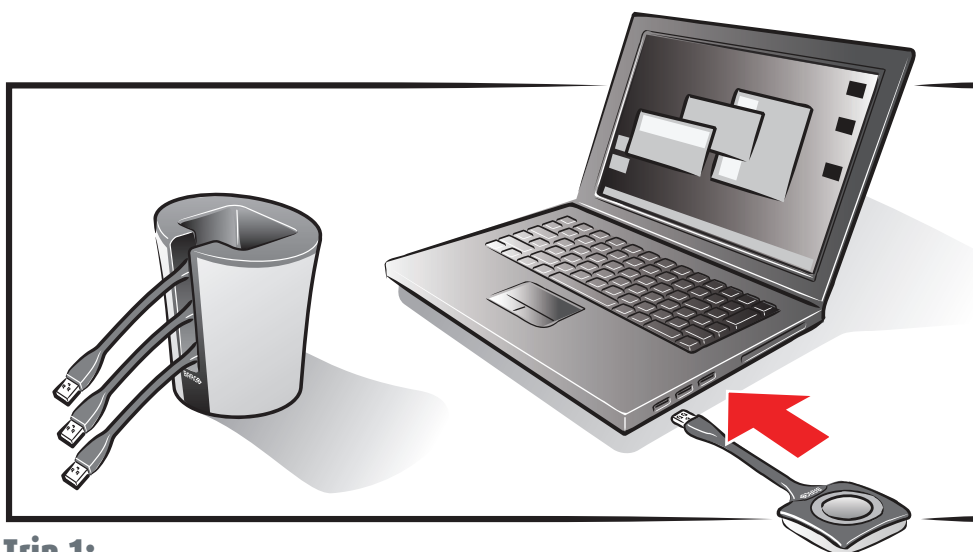

## Step 3:

Wait till the LEDs of the Button are static white, and then click the Button to show your screen on the display. The LEDs of the Button will be red. Click again to remove your screen from the display.

**At the end of your meeting, please place the Buttons back into the Tray.**

# ClickShare

The one click wonder

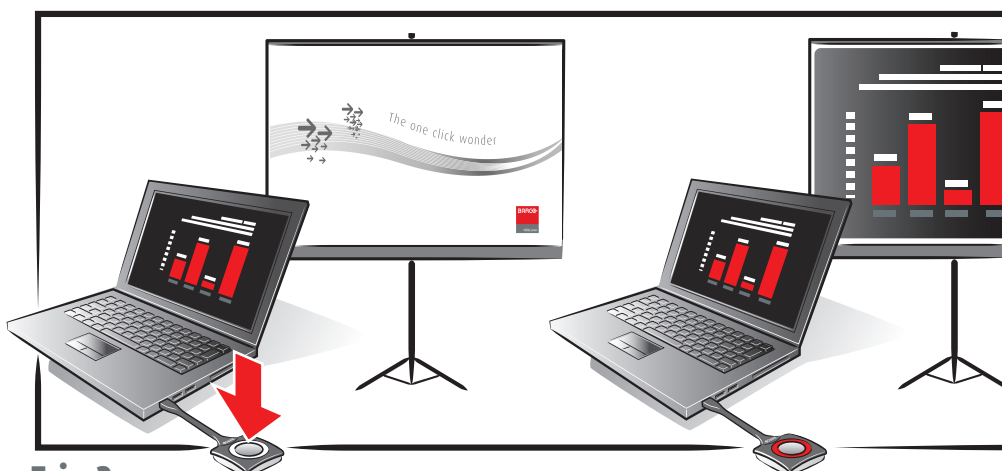

## Trin 1:

Indsæt en Button i din bærbare computer.

## Trin 2:

Gennemse ClickShare drevet på din bærbare computer og start ClickShare programmet: ClickShare\_for\_Windows eller ClickShare\_for\_Mac

## Trin 3:

Vent indtil lysdioderne på Button er konstant hvide og klik derefter på Button for at vise din skærm på displayet.

Lysdioderne på Button bliver røde.

Klik igen for at fjerne din skærm fra displayet.

**Når mødet er forbi, bedes du lægge alle Buttons tilbage i bakken.**

# ClickShare

The one click wonder

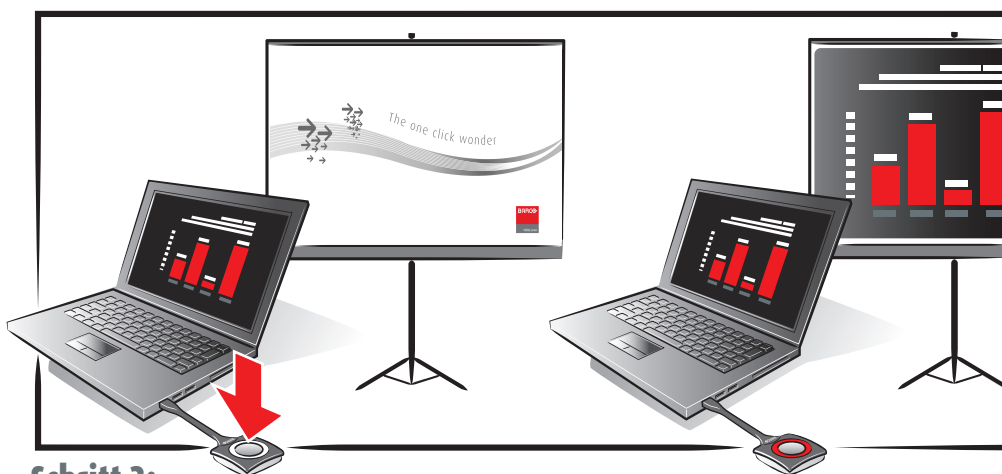

## Schritt 1:

Schließen Sie einen Button an den Laptop an.

## Schritt 2:

Wechseln Sie auf Ihrem Laptop zum ClickShare-Laufwerk und starten Sie die ClickShare-Anwendung ClickShare\_for\_Windows oder ClickShare\_for\_Mac.

## Schritt 3:

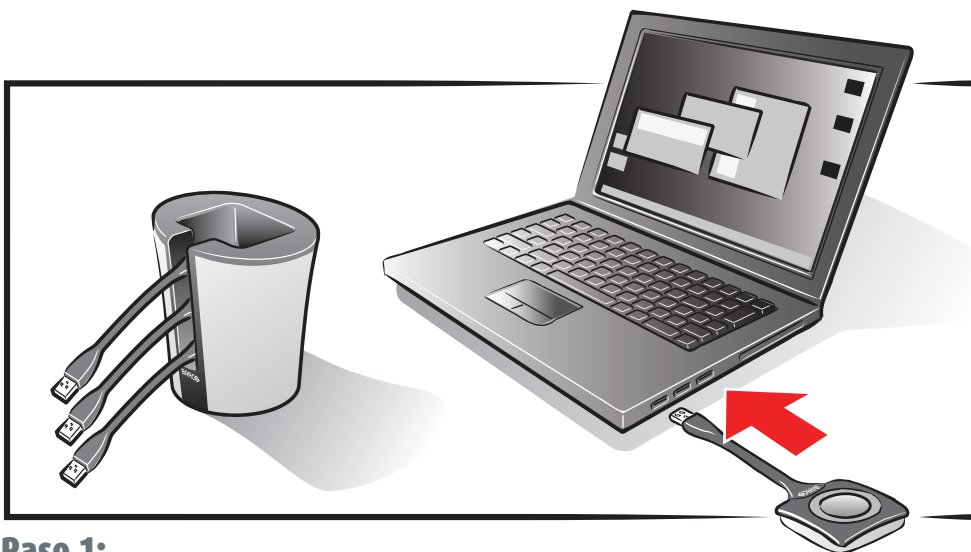

Warten Sie, bis die LEDs des Buttons dauerhaft weiß leuchten, und klicken Sie dann auf den Button, um den Inhalt Ihres Bildschirms im Großbild anzuzeigen. Die LEDs des Buttons leuchten rot.

Klicken Sie erneut, um Ihren Bildschirminhalt im Großbild auszublenden.

**Legen Sie am Ende der Konferenz die Buttons bitte wieder zurück in den Tray.**

# ClickShare

The one click wonder

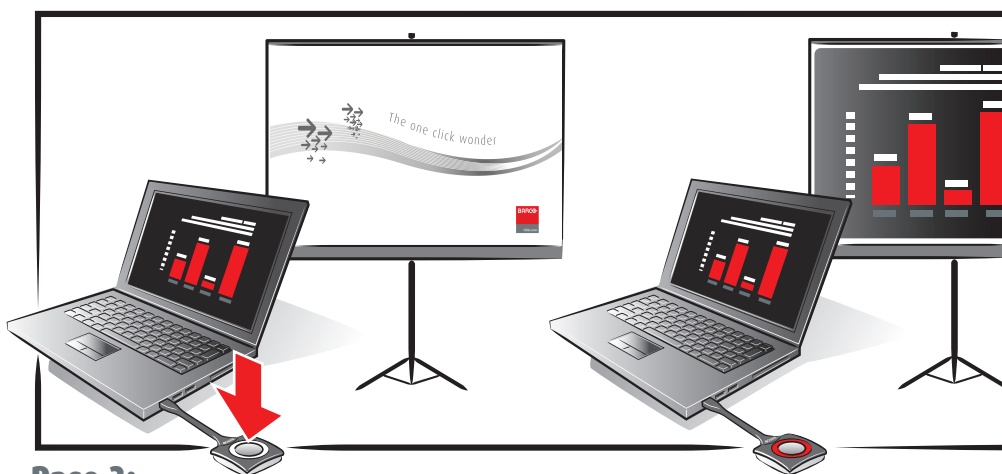

## Paso 1:

Inserte un ClickShare Button en el portátil.

## Paso 2:

En el portátil, desplácese a la unidad de ClickShare e inicie la aplicación ClickShare: ClickShare\_for\_Windows o ClickShare\_for\_Mac.

## Paso 3:

Espera hasta que el LED de ClickShare Button esté fijo en color blanco y haga click para mostrar la pantalla de su ordenador en el dispositivo de visualización.

El LED de ClickShare Button será rojo.

Vuelva a hacer click para quitar la pantalla de su ordenador del dispositivo de visualización.

**Cuando finalice la reunión, vuelva a colocar los ClickShare Buttons en la bandeja.**
