You don’t speak French very well, and you need some information on libraries?

This guide is made for you.
The library is open to all.

If you are studying at Lyon 1 University:
You are automatically registered to use the library. The first time you come, meet a librarian at an information desk with your student card to confirm your registration.

If you are not studying at Lyon 1 University:
Go to an information desk and present your student/professional card, an ID card, and a proof of address (utilities bill, etc.) not older than three months. Registration fees must be paid by users coming from universities outside the Rhône-Alpes, or from high schools, private schools, associations, or businesses. Payment by check only.

You can’t place a hold on more than 4 documents at a time.

If you are an undergraduate student (Licence) or a master’s student, you are allowed to borrow up to 12 items in all the Lyon 1 libraries. If you are a PhD student or a teacher, you are allowed to borrow up to 20 items.

If you are not studying at Lyon 1 University but are registered to use the library:
Username: barcode of your library card.
Example: bu48893515 if your barcode is 48893515.
Password: your date of birth followed by the lower-case letters «la».
Example: jj/mm/aaaala. You have to change it after your first connection.
You can’t access electronic resources off-campus.
